

# Transfers

75% of all Newlon social rent properties that become vacant get allocated to local authority housing waiting list applicants, which leaves limited stock available for us to offer to Newlon residents. In addition 100% of vacant Newlon properties in Tower Hamlets are given over to the local authority applicants as we are part of the Common Housing Register. All new schemes that Newlon builds are for 100% local authority nominees so we are not able to transfer residents to these homes.

Also, please note that at present we are not transferring any residents onto the Barnsbury estate from other areas, due to the ongoing estate transformation programme.

Below is a table of the current number of our social rent properties in each borough, by bedroom size.

To ensure we are able to assist you with rehousing, we would suggest that where boroughs have less than 100 properties of the size you require, we would strongly recommend that you do not only select these boroughs to transfer to.

Also there are fewer ground floor and adapted Newlon properties, should you require one of these.

Boroughs	Bedsit	1 bed	2 bed	3 bed	4 bed	5 bed	6+ bed
Barking and Dagenham	-	-	-	-	1	-	-
Camden	-	25	39	52	3	-	-
Enfield	1	37	157	128	29	-	2
Hackney	5	351	477	466	145	18	3
Haringey	-	81	246	206	36	6	-
Islington	18	186	377	248	94	13	-
Redbridge	-	5	13	11	10	2	-
Waltham Forest	-	3	47	31	-	-	1

As at November 2024 we had 152 residents on the transfer list. In 2023-24 we were able to transfer nine residents, five of which were to 1 beds, one to a 2 bed and three to 3 beds.

## Number of offers

If you are accepted onto the transfer list for a medical transfer, you will be made two offers, if these are refused/or you fail to attend the viewing without providing supporting evidence for your reasons you will be removed from the transfer list.

## Assessing bedroom requirements

From November 2022 we have changed our letting's policy, which means that siblings of the same sex will not qualify for separate bedrooms until one has reached the age of 18, unless medical evidence is provided.

## Mutual exchange

In 2023-24, 25 Newlon residents did a 'mutual exchange' to move. Mutual exchange provides a much better opportunity for residents and we would encourage everyone wishing to move to actively explore this. You can find out more about mutual exchange by reading our Mutual Exchange leaflet on the Newlon website leaflets and brochures page: [www.newlon.org.uk/publications/leaflets-brochures](http://www.newlon.org.uk/publications/leaflets-brochures)
