

## JOB DESCRIPTION

<b>JOB TITLE:</b>	Building Safety Officer
<b>LOCATION:</b>	Newlon House, 4 Daneland Walk, London N17 9FE
<b>SALARY:</b>	£37,678 pa plus eligibility to participate in the Performance Related Pay Scheme
<b>REPORTING TO:</b>	Building Safety Manager
<b>RESPONSIBLE FOR:</b>	No Direct Reports

## JOB OBJECTIVE

The post-holder will support the Building Safety Manager in developing building safety cases and reports. Assist in collating the “Golden Thread” of information on all Newlon Housing Trust HRRB’s and ensure that this information is stored digitally. The role will require direct liaison with the Building Safety Regulator, Fire Services and Contractors. You will need to monitor performance and co-ordinate inspections, remediation work, process invoices and update KPI’s specific to building safety including fire risk assessments. You will assist in the development of the resident engagement strategy, specific to building safety and ensure that excellent communication with residents is maintained at all times. You will be expected to work to deadlines whilst undertaking smaller projects within Building Safety. This role requires you to maintain your continuous professional development.

## SPECIFIC TASKS AND RESPONSIBILITIES

Key Tasks and Responsibilities		Performance Standards
1	Provide Support to the Building Safety Manager for the development of building safety cases for all identified high risk buildings within the scope of the Building Safety Act.	<ul style="list-style-type: none"><li>• Support the Building Safety Manager in completing a comprehensive digital records system which is created and maintained as the basis for safety cases and demonstrating building safety compliance,</li><li>• Support effective working arrangements &amp; practices to ensure a consistent level of service delivery.</li><li>• The golden thread principle is applied and BIM adopted as far as possible,</li><li>• All high risk buildings in scope of the Act identified and in liaison with other departments the necessary digital records for those buildings gathered or created, including any necessary investigations or surveys.</li><li>• Proven attention to detail and ability to work on a variety of tasks simultaneously.</li><li>• Ability to interrogate information from various sources and collate comprehensive reports.</li><li>• Good understanding of all relevant legislation and guidance’s.</li><li>• To deputise for the Building Safety Manager in their absence when required.</li></ul>
